2. Risk management and internal control

2.1. The Council must ensure that it has a sound system of internal control, which delivers effective financial, operational and risk management.

2.2. The RFO shall prepare, for approval by the Council, a risk management policy covering all activities of the Council. This policy and consequential risk management arrangements shall be reviewed by the Council at least annually.

2.3. When considering any new activity, the RFO shall prepare a draft risk assessment including risk management proposals for consideration by the Council.

2.4. At least once a year, the Council must review the effectiveness of its system of internal control, before approving the Annual Governance Statement.

2.6. At least twice a year (usually in March and September), two Councillors who are not cheque signatories shall review the financial file, including verifying bank reconciliations for accounts produced by the RFO. The Councillors shall sign and date a form to evidence the review. This activity, including any exceptions, shall be reported to the Council.

2.7. Regular back-up copies shall be made of the records on any Council computer and stored either online or in a separate location from the computer. The Council shall put measures in place to ensure that the ability to access any Council computer is not lost if an employee leaves or is incapacitated for any reason.

3. Accounts and audit

3.1. All accounting procedures and financial records of the Council shall be determined by the RFO in accordance with the Accounts and Audit Regulations.

3.2. The accounting records determined by the RFO must be sufficient to explain the Council's transactions and to disclose its financial position with reasonably accuracy at any time. In particular, the accounting records must contain:

3.4. The RFO shall complete and certify the annual Accounting Statements of the Council contained in the Annual Governance and Accountability Return in accordance with proper practices, as soon as practicable after the end of the financial year. Having certified the Accounting Statements, the RFO shall submit them (with any related documents) to the Council, within the timescales required by the Accounts and Audit Regulations.

3.5. **The Council must ensure that there is an adequate and effective system of internal audit of its accounting records and internal control system in accordance with proper practices.**

3.6. **Any officer or Councillor of the Council must make available such documents and records as the internal or external auditor consider necessary for the purpose of the audit** and shall, as directed by the Council, supply the RFO, internal auditor, or external auditor with such information and explanation as the Council considers necessary.

3.7. The internal auditor shall be appointed by the Council and shall carry out their work to evaluate the effectiveness of the Council's risk management, control, and governance processes in accordance with proper practices specified in the Practitioners' Guide.

3.11. The RFO shall make arrangements for the exercise of electors' rights in relation to the accounts, including the opportunity to inspect the accounts, books, and vouchers and display or publish any notices and documents required by the Local Audit and Accountability Act 2014, or any superseding legislation, and the Accounts and Audit Regulations.

3.12. The RFO shall, without undue delay, bring to the attention of all Councillors any correspondence or report from internal or external auditors.

4. Budget and precept

4.1. **Before setting a precept, the Council must calculate its Council tax requirement for each financial year by preparing and approving a budget, in accordance with The Local Government Finance Act 1992 or succeeding legislation.**

4.2. Budgets for salaries and wages, including employer contributions shall be reviewed by the Council at least annually in November for the following financial year and the final version shall be evidenced by a hard copy schedule signed by the RFO and the Chairman.

4.3. No later than November each year, the RFO shall prepare a draft budget with detailed estimates of all income and expenditure for the following financial year.

4.4. The draft budget, including any recommendations for the use or accumulation of reserves, shall be considered by the Council.

4.5. Having considered the proposed budget, the Council shall determine its Council tax requirement by setting a budget. The Council shall set a precept for this amount no later than November for the ensuing financial year.

4.6. **Any Councillor with Council tax unpaid for more than two months is prohibited from voting on the budget or precept by Section 106 of the Local Government Finance Act 1992 and must and must disclose at the start of the meeting that Section 106 applies to them.**

4.7. The RFO shall **issue the precept to the billing authority no later than the end of December** and supply each Councillor with a copy of the agreed annual budget.

4.8. The agreed budget provides a basis for monitoring progress during the year by comparing actual spending and income against what was planned.

4.9. Any addition to, or withdrawal from, any earmarked reserve shall be agreed by the Council.

5. Procurement

5.1. **Councillors and officers are responsible for always obtaining value for money.** Any officer procuring goods, services or works should ensure, as far as practicable, that the best available terms are obtained, usually by obtaining prices from several suppliers.

5.2. The RFO should verify the lawful nature of any proposed purchase before it is made and in the case of new or infrequent purchases, should ensure that the legal power being used is reported to the meeting at which the order is authorised.

5.3. Every contract shall comply with these the Council's Standing Orders and these Financial Regulations and no exceptions shall be made, except in an emergency.

5.4. **For a contract for the supply of goods, services or works where the estimated value will exceed the thresholds set by Parliament, the full requirements of The Public Contracts Regulations 2015 or any superseding legislation ("the Legislation"), must be followed in respect of the tendering, award, and notification of that contract.**

5.5. Where the estimated value is below the Government threshold, the Council shall (except for items listed in paragraph 5.12) obtain prices as follows:

5.6. For contracts estimated to exceed £60,000 including VAT, the RFO shall seek formal tenders from at least three suppliers agreed by the Council. Tenders shall be invited in accordance with Appendix 1.

5.7. **For contracts estimated to be over £30,000 including VAT, the Council must comply with any requirements of the Legislation¹ regarding the advertising of contract opportunities and the publication of notices about the award of contracts.**

5.8. For contracts greater than £3,000 excluding VAT the RFO shall seek at least three fixed-price quotes;

5.9. where the value is between £500 and £3,000 excluding VAT, the RFO shall try to obtain three estimates which might include evidence of online prices, or recent prices from regular suppliers.

5.10. For smaller purchases, the RFO shall seek to achieve value for money.

5.11. **Contracts must not be split into smaller lots to avoid compliance with these rules.**

5.12. The requirement to obtain competitive prices in these regulations need not apply to contracts that relate to items (i) to (iv) below:

- i. specialist services, such as legal professionals acting in disputes;
- ii. repairs to, or parts for, existing machinery or equipment;

iv.goods or services that are only available from one supplier or are sold at a fixed price.

5.13. When applications are made to waive this financial regulation to enable a price to be negotiated without competition, the reason should be set out in a recommendation to the Council. Avoidance of competition is not a valid reason.

5.14. The Council shall not be obliged to accept the lowest or any tender, quote, or estimate.

5.15. Individual purchases within an agreed budget for that type of expenditure may be authorised by the RFO, under delegated authority, for any items below £500 excluding VAT. Such authorisation must be supported by a minute (in the case of Council or committee decisions) or other auditable evidence trail.

5.16. No individual Councillor, or informal group of Councillors may issue an official order unless instructed to do so in advance by a resolution of the Council or make any contract on behalf of the Council.

5.17. No expenditure may be authorised that will exceed the budget for that type of expenditure other than by resolution of the Council in an emergency.

5.18. In cases of serious risk to the delivery of Council services or to public safety on Council premises, the RFO may authorise expenditure of up to £2,000 excluding VAT on repair, replacement, or other work that in their judgement is necessary, whether or not there is any budget for such expenditure. The RFO shall report such action to the Chairman as soon as possible and to the Council as soon as practicable thereafter.

5.19. No expenditure shall be authorised, no contract entered into, or tender accepted in relation to any major project, unless the Council is satisfied that the necessary funds are available and that where a loan is required, Government borrowing approval has been obtained first.

5.20. An official order or letter shall be issued for all work, goods, and services unless a formal contract is to be prepared or an official order would be inappropriate. Copies of orders shall be retained, along with evidence of receipt of goods.

5.21. Any ordering system can be misused and access to them shall be controlled by the RFO.

Wherever possible, more than one person should be involved in any payment, for example by dual online authorisation or dual cheque signing. Even where a purchase has been authorised, the payment must also be authorised and only authorised payments shall be approved or signed to allow the funds to leave the Council's bank.

6.3. All invoices for payment should be examined for arithmetical accuracy, analysed to the appropriate expenditure heading and verified to confirm that the work, goods, or services were received, checked, and represent expenditure previously authorised by the Council before being certified by the RFO.

6.4. Personal payments (including salaries, wages, expenses, and any payment made in relation to the termination of employment) may be summarised to avoid disclosing any personal information.

6.5. All payments shall be made by cheque, in accordance with a resolution of the Council, unless the Council resolves to use a different payment method.

6.9. The RFO shall present a schedule of payments, forming part of the agenda for the meeting, together with the relevant invoices, to the Council. A detailed list of all payments shall be disclosed within or as an attachment to the minutes of that meeting.

7.5. In the prolonged absence of the Service Administrator, an authorised signatory shall set up any payments due before the return of the Service Administrator.

7.6. Two Councillors who are authorised signatories shall check the payment details against the invoices before approving each payment using the online banking system.

7.7. Evidence shall be retained showing which Councillors approved the payment online and a printout of the transaction confirming that the payment has been made shall be appended to the invoice for audit purposes.

7.8. A full list of all payments made in a month shall be provided to the next Council meeting.

7.9. With the approval of the Council in each case, regular payments (such as gas, electricity, telephone, broadband, water, National Non-Domestic Rates, refuse collection, pension contributions and HMRC payments) may be made by variable direct debit, provided that the instructions are approved by the Council annually.

7.10. Payment may be made by BACS or CHAPS by resolution of the Council provided that each payment is approved online by two authorised bank signatories, evidence is retained and any payments are reported to the Council at the next meeting. The approval of the use of BACS or CHAPS shall be renewed by resolution of the Council annually.

7.11. If thought appropriate by the Council, regular payments of fixed sums may be made by banker's standing order, provided that the instructions are approved by the Council annually.

7.12. Account details for suppliers may only be changed upon written notification by the supplier verified by two of the RFO and a Councillor. 12.2. The Council will review all fees and charges for work done, services provided, or goods sold at least annually as part of the budget-setting process, following a report of the RFO. The RFO shall be responsible for the collection of all amounts due to the Council.

12.7. Where significant sums of cash are regularly received by the Council, the RFO shall ensure that more than one person is present when the cash is counted in the first instance, that there is a reconciliation to some form of control record such as ticket issues, and that appropriate care is taken for the security and safety of individuals banking such cash.

12.8. Any income that is the property of a charitable trust shall be paid into a charitable bank account. Instructions for the payment of funds due from the charitable trust to the Council (to meet expenditure already incurred by the authority) will be given by the Managing Trustees of the charity meeting separately from any Council meeting.

13. Payments under contracts for building or other construction works

13.1. Where contracts provide for payment by instalments the RFO shall maintain a record of all such payments, which shall be made within the time specified in the contract based on signed certificates from the architect or other consultant engaged to supervise the works.

13.2. Any variation of, addition to or omission from a contract must be authorised by the RFO to the contractor in writing, with the Council being informed where the final cost is likely to exceed the contract sum by 5% or more, or likely to exceed the budget available.
