This form has two parts: **Part A** Personal Details and **Part B** Your Representation

To help present your comments in the best way for the Inspector to consider them, it is recommended that representations are made using this standard comment form. We ask that you use this form because it structures your response in the way in which the inspector will consider comments submitted.

Comments can only be made on the proposed Main Modifications and supporting documents. This is not an opportunity to make comments on other aspects of the Local Plan. Representations submitted during the consultation on the Publication Draft have already been considered by the Inspector and should not be submitted again.

Please fill in a separate part B for each main modification/issue you want to comment on.

Any additional sheets must be clearly referenced. If hand writing, please write clearly in blue or black ink.

# Guidance note

## What can I make comments on?

You can make representations on the Schedule of Main Modifications and its supporting documents, which include: Sustainability Appraisal; Habitat Regulations Assessment, Equality Analysis Report and Schedule of Policy Map Changes. The purpose of this consultation is for you to say whether you think the plan is legally compliant and 'sound'.

## Do I have to use the response form?

Yes please. This is because further changes to the plan will be a matter for a Planning Inspector to consider and providing responses in a consistent format is important. For this reason, all responses should use this consultation response form. Please be as succinct as possible. You can attach additional evidence to support your case, but please ensure that it is clearly referenced. Additional response forms can be collected from the main council offices and the district's libraries, or you can download it from the council's website at [www.harrogate.gov.uk/localplan](http://www.harrogate.gov.uk/localplan). However you choose to respond, in order for the inspector to consider your comments you must provide your name and address with your response.

## Can I submit representations on behalf of a group or neighbourhood?

Yes, you can. Where there are groups who share a common view on how they wish to see the plan modified, it would be very helpful for that group to send a single representation that represents that view, rather than for a large number of individuals to send in separate representations that repeat the same points. In such cases the group should indicate how many people it is representing; a list of their names and addresses, and how the representation has been agreed e.g. via a parish council/action group meeting; signing a petition etc. The representations should still be submitted on this standard form with the information attached.

## Question 4(1) – What does 'legally compliant' mean?

Legally compliant means asking whether or not the plan has been prepared in line with: statutory regulations; the duty to cooperate; and legal procedural requirements such as the Sustainability Appraisal (SA). Details of how the plan has been prepared are set out in the published Consultation Statements and the Duty to Cooperate Statement, which can be found at [www.harrogate.gov.uk/info/20101/planning\\_policy\\_and\\_the\\_local\\_plan/556/local\\_plan\\_-\\_evidence\\_base](http://www.harrogate.gov.uk/info/20101/planning_policy_and_the_local_plan/556/local_plan_-_evidence_base)

## Question 4(2) – What does 'soundness' mean?

Soundness may be considered in this context within its ordinary meaning of 'fit for purpose' and 'showing good judgement'. The Inspector will use the Public Examination process to explore and investigate the plan against the National Planning Policy Framework's four 'test of soundness' as listed at question five.

## What makes a Local Plan “sound”?

**Positively prepared** - the plan should be prepared in a way that meets the need for housing and other development, including infrastructure and business development.

**Justified** – the plan should be based on evidence, and be the most appropriate strategy for the district when considered against other reasonable alternatives.

**Effective** – the plan should be deliverable; the housing and other development should be capable of being carried out.

**Consistent with national policy** – the plan should enable sustainable development and be consistent with the policies in the National Planning Policy Framework (NPPF).

Please give details of why you consider the Main Modification to be not legally compliant or sound. Your reason(s) should concisely cover all the information, evidence and supporting information necessary to justify your comments.
